Garry's Club Report

We are now into 2016 and the committee met on 20th Jan.'16 to discuss business and the activities for the following couple of months. We would like to say that the Xmas Party staged at the Greenbank Pub Lane Tavern went well with a total of 28 people attending. The meal and service was great and together with our own decorations, raffle and recognitions a good time was had by all.

A special mention to GARY and his "jammy knee op" which is now getting better - the service he had seems to have worked.

On the 10th Jan. we had a breakfast event at Logan at a lovely Park off Browns Plains starting early in the morning to eat in the cool as the temperature rose into the day. Apart from the usual breakfast fry - BYO - pancakes seem to be the order of the day, and with TRACEY's maple syrup they were yum yum!

On the 16th Jan we all arrived at Boss Hogs for the meal run and it turned out to be a "mixed bag". If you ordered gourmet burger you were served in a timely manner and some of us waited nearly 2 hours to be served - a long time and with mixed results. I would like to hear your comments? Maybe we will pre order next time - they can serve a large party in a quicker time?

The next meal run will be on 20th Feb - this is Tracey's 50th Birthday - all members are WELCOME. Fancy dress is applicable, details on request - let's have a laugh and a bit of a dance

The activity programme includes another breakfast morning. This time to Capalaba, Regional Park - another early start and of course some more pancakes. I will maybe try cooking them in the bacon fat and add some mixed fruit berries for a healthier option?! I hope you can all come and have a good early morning kick start with some great company and friends?

Our club is a friendly family car club, full of enthusiastic, supportive and fun members. We meet at Acacia Ridge Shops - John's cafe - every Friday where we chat, walk around the cars and some of us have our meal for tea - and at a very reasonable price freshly cooked - a great place to meet for us all. What we need to do... is to get the cars out of the shed, on the road and vroom, vroom, vroom and cruising.....

See you all soon...Garry.....

Happy Birthday to everyone having birthdays.

Tony's 1960 EL Camino

I bought the car in November 2014 from Newcastle NSW as a new import. The car was faded red and awaiting a full resto. It was running with a 350 engine and a Turbo 350 gearbox, it was in desperate need of a resto.

In the first week that I had it, It was stripped down and had rust cut out. I sent it away to Rocklea Abrasive Sands to be sand blasted and this revealed that it had a sunroof, which I had removed and a new roof installed.

From there it had more rust and panel work done, then it was sent to Charlie to be painted mint green.

The interior has been redone and is now black with new carpet and hood lining. I started putting the car back together in August 2015 and finally got it registered in late November 2015. I found out that the diff was stuffed so new one went in early December now just need to iron out all the other little teething problems that can and do happen in old cars.

Now just waiting for air con to be fitted.

November Dinner Run

Bribie Island seaside Museum November 29th

We had a great turn out for the run up to Bribie Island with 9 cars, it was another very hot day so after having lunch most of us went into the Seaside Museum for a very long look around in the air conditioning.
