### Presidents Report

It has been a **hot summer** and with the mixture of **cool mornings** and warm evenings all the **bugs and midges** are having a party. With numbers being low recently on the car runs, maybe the cars are able to be aired and running smoothly out of sheds.

The last meal run turnout was great, with a total of 19 people turning up to go to **GJ's** – good food at a great price. Good conversation, great atmosphere and **friendly company**.

The **AGM** is coming up on 26<sup>th</sup> June, so come and have your vote. There will be a free lunch on the day. The new **club fee's** are due for the next year and **new members are welcome**.

I have been busy working on my car. The car came off the road in June last year. I had **no shed** to work in, so began to build a 6metre x 7.6metre shed with the help of Tony and Steve. The shed was built by Xmas, a good stop for Santa! In went my Ford Ltd, along with a 'worked' 460 BB engine. Out came the 351 and FMX and after a lot of hours and heartache (**together with an understanding wife**), I got the 460 BB engine and C6 auto into my car. I hope to be on the road soon after some fine tuning.

The members make this club, come to the AGM with your cars and enjoy the day.

Garry Edmonds – President
